FIRESAFETY INDIA PVT. LTD.

www.protectorfiresafety.com

A part and parcel of **Protector Firesafety India Pvt. Ltd.**, one of the foremost manufacturers dealers and distributors of Personal Protective Equipments (PPE's) of supreme quality since 1993 by our founder and managing director **Mr. Jignesh Shah**.

Signage design unit is an in-house facility of ours where custom- designed and durable safety as well as architectural beautification signage, are produced.

Along with a wide selection of road safety products and parking solution and a well-endowed team to install it as per the customer's request.

We have teams of skilled professional who survey the client's site and suggest the proper installation placement for signages as well as road safety and parking concerns.

Manufactured in our own workshop, our signages speak of our experience, attention to detail and our commitment to providing the best possible at a competitive price. Having completed more than 500 projects ranging from the most essentials-to-architectural-to-designer signages, we have done it all.

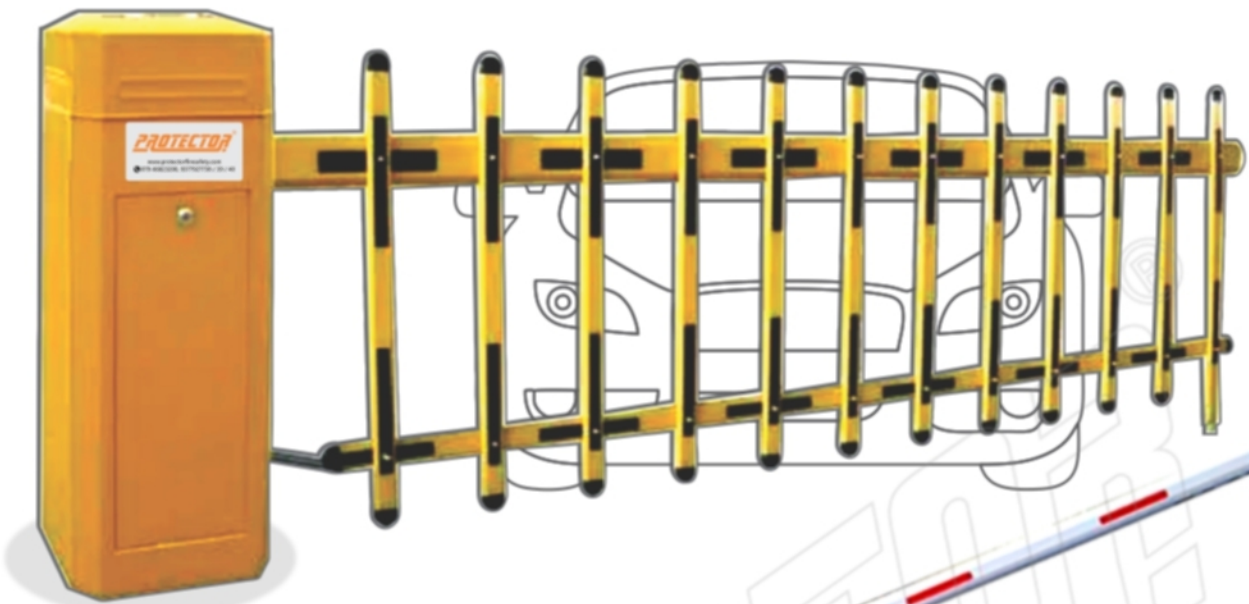

This division is being headed by our director **Mrs. Janki Shah** under the brand name **Prosign**. No matter the size, style and material we provide the most suitable options for our customers.

You name it and we make it.

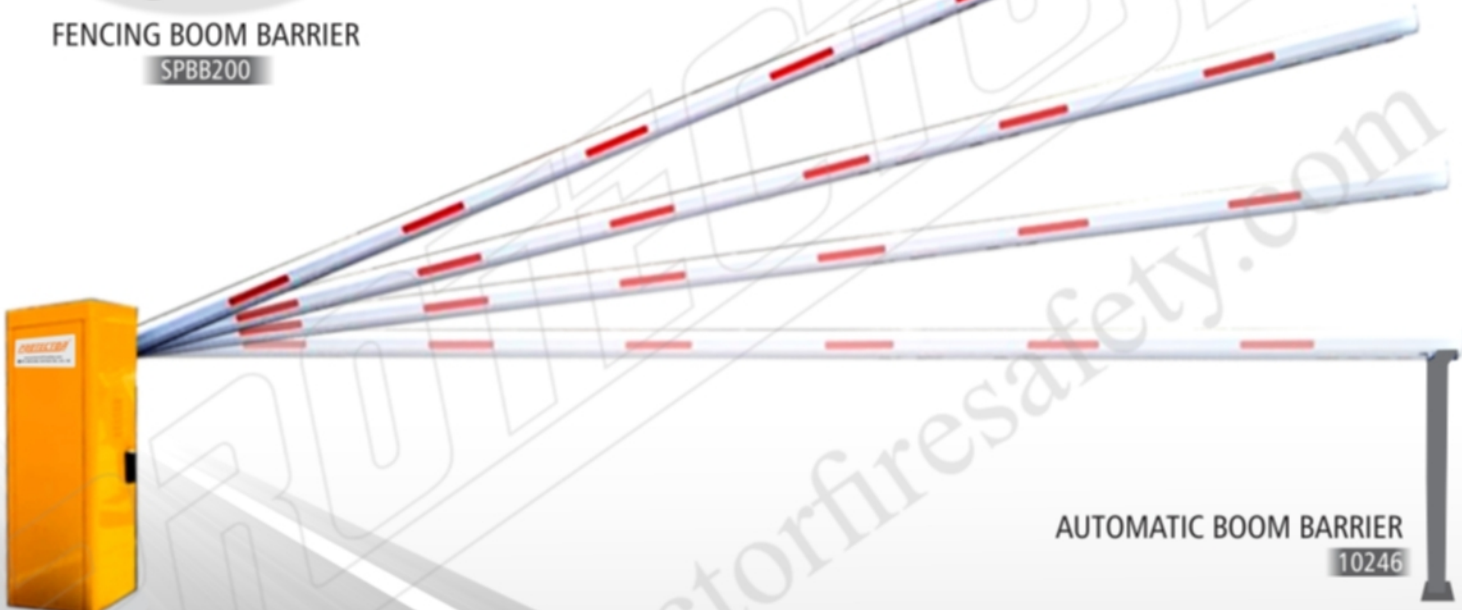

Our installation teams for signages as well as road safety equipment and parking solutions, has completed multiple projects well within the given date of completion, as a result of fabulous coordination and hard work of our experienced staff members
