

TECHNICAL DATA SHEET

SHOES ACME NEUTRON ELECTRICAL SHOCK PROOF

Model	Neutron
Code	989
Weight	1.1 kg
Color	Black
Size	6 to 10

Material	Upper made from buffalo leather in barton print. PU sole D.D. and cap from fiber.
Features	Electrical resistance 22000 volt for 1 minute exposer. Max. temp resistance 120 Celsius for one minute exposer. Slip & puncture resistance.
Application	In all industries and electrical substation, where person has to work against high voltage
