

## Twisted Rope Anchorage Line(14mm)

SKU: Anchor PN910

### Key Features

Made of 3-strand Polyamide twisted rope of dia 14mm

One side loop; other side stop knot (also available with both side loops)

### Description

- KARAM offers textile anchorage lines in both Polyamide and Polyester, made of twisted rope and kernmantle ropes, available in different lengths to suit application. These anchorage lines are certified as a system only when used with specific KARAM rope grab fall arresters.
- KARAM provides a vast range of temporary horizontal and vertical anchorage line systems that are extremely easy to carry and install. These lifelines provide a suitable and safe anchorage to the user whenever required.

**Warranty:** 1 year from the date of invoice against any manufacturing defects.
